My Mazeradi and Ferrari like to chill with my Mercedes
See my Bentley, what I got when my two Phantoms had
a baby

I'm not crazy, why you lazy? I get so politely daisy
Fuck you, pussy nigga, pay me my Lambo do 'bout 280

I sellin', heard you tellin', thought you killin' while you
stealin'

Thought you dealin' while you chillin', you ain't ballin'
with a million

God made me super rich, the devil made you stupid,
bitch

You could be just like me if you quit with all that stupid
shit

Why you actin' hard now you must want go see God
now?

The same niggas you were beefin' with are up in your
yard now

If you bout to run dogg, I guess you better start now
Forgot to bring your gun so you got to use your heart
now

It's hard to get rich but it ain't shit to go to hell
It's hard to sell dope but it ain't shit to go to jail
It's hard to keep it real but it ain't shit for you to tell
I smoked so much of this that I can't even hide the
smell

So drop
Drop, drop, drop
Now drop
Drop, drop, drop

We marijuana farmers, all our rides look like
Transformers
Tell the pretty girls to pull they titties out and dance for
us
You don't need a Gym Class, crack like Slim Fast
Take a hit and loss a fuckin' hundred pounds quick fast

Snow cone with a chain on and deep off or chain off

My blunt goin' kick the game off, we never take the
game off
Find a hater, sign a hater, let him see my elevator
Hundreds in my refrigerator, now they know we gettin'
paper
Find a hater, sign a hater, let him see my elevator
Hundreds in my refrigerator, now they know we gettin'
paper

Pullin' coupes and escalators, enemies on respirators
Million dollar generators, 90 fast investigators
For flashy cars, the prison bars, mÃ©nage Ã trois
The playin' cards I swear it's hard, now drop

Now drop
Drop, drop, drop
Now drop
Drop, drop, drop
