Falling Too Fast, Clearly
Rules Don't Apply,
Can't Believe That I Just Met You,
You Got Me Here, Watching
Minutes Pass By,
Wondering When To Expect You,
There You Go, Is This A Dream?
Looking Like..Every Picture That I've Seen
Of You..Before,
I've Seen It All Before.

Now That It's Over,
I Should Have Known Better,
Than To Think This Is Real
& You Could Be Mine.

I Should Have Known Better,
Slowed It Down, Cuz I Feel..
You Needed Time.

But I Kept Thinking..

This Could Be Something.
This Could Be Something.
This Could Be Something.

This Could Be, This Could Be.

This Could Be Something.
This Could Be Something.
This Could Be Something.
Maybe Its Just Nothing At All.

But This Could Be Something.
This Could Be Something.
This Could Be, This Could Be.

This Could Be Something.
This Could Be Something.
This Could Be Something.
Maybe Its Just Nothing At All.
At All.

At All.
At All.
Maybe Its Just Nothing At All.
At All.
At All.

I Guess Its What We Make It.
I Guess Its What We Make It.
I Guess Its What We Make It.
