[Drake chorus from "Still Fly" (Drake from freestyle)]

I'm still fly (Yea), I'm sky high  
And I dare anybody to try and cut my wings (Uh)  
I'm still pulling out the Phantom  
And these haters can't stand him (That's me singin' by  
the way... in Case you didn't know)  
Nigga I'm still doing my thing  
I'm still fly I'm sky high (Yea some new shit... new shit  
I'm on)  
And I dare anybody to try and cut my wings (I promise I  
got 'em)  
I'm still shutting cities down (Look) every time I come  
around  
Nigga I'm still doin my thing (Here I go) I'm still...

[Drake verse 1]
