[Drake Talking]:

Yeah

Right

Ahhhhhh

Aight

I'm bout to do my thing

You ready?

Here I go!

October's very own

Drizzy

Taz You aint even got nothin to worry about man

Check

Yeah

[Verse 1]:

Are you listening?

Is anybody listening?

Walk into a room and you can smell the Clive

Cristianson.

Alot of niggas is threatned by my positioning

Thrillin bars you think I'm writing with John Ghrisam
pen.

I need Rose, nevermind the pricing

Know we brought cake to the party, no icing

No ice on, big Phantom no license

Fuck if you're feelin me as long as your wife is

No one in my city gotta pocket like Drizzy

I can rock fitted Jeans cause my credit card skinny

It's pitch black and covers all incidentals

And Miss Wrong sorry you ain't notice my potential

Fuck ya rappers and your self-proclaimed status

I can only see green now happy St.Patty's

I know you waitin on a last quote

Check the soundscan and you can see that I'm the last
hope

[Verse 2]:

By the way I'm Jewish and turnin 22

Get's depressing when you see your favorite rappers
goin through it

Tryna re-invent themselves, showin' no improvement

Gettin' crushed by this light skinned young'n on some
new shit
40 just recorded and who dropped this here,
cos I'm tryna fuck Megan Fox this year
And if you got a style, it's to cop new gear
you are in my age bracket, you are not my peer
Fuck you really know about a ? couch
Fred ? sheets, perfect touch to a clean house
Wide awake put a nigga livin' ya dreams out
lookin like a photoshoot everytime the team's out
And is the realest nigga still I
A woman could love me to death but I'd still die
so I'm about us now
Smith and Wesson flow,
You should tell them boys duck down
