Featuring: Nicki Minaj

[Nicki Minaj]

I fly with the stars in the skies,  
I am no longer trying to survive,  
I believe that life is a prize,  
But to live doesn't mean you're alive,  
Don't worry bout me and who I fire  
I get what I desire it's my empire  
And yes I call the shots I am the umpire  
I sprinkle holy water upon a vampire, vampire  
And this very moment I'm king  
This very moment I slay Goliath with a sling,  
This very moment I bring  
Put it on everything that I will retire with the ring,  
And I will retire with the crown, Yes!  
No I'm not lucky I'm blessed, Yes!  
Clap for the heavyweight champ, Me!  
But I couldn't do it all alone, We!  
Young Money raised me, grew up out in Baisley  
Southside Jamaica, Queens and it's crazy  
cuz I'm still hood, Hollywood couldn't change me  
shout out to my haters, sorry that you couldn't faze me  
aint being cocky we just vindicated, best believe that  
when were done  
This moment will be syndicated, I don't know this night  
just reminds me  
of everything that they deprived me of, kuhh!  
ppppp put ya drinks up, it's a celebration every time we  
link up  
We done did everything they can think of  
Greatness is what we on the brink of'

[Chorus]

I wish that I could have this moment for life, for life, for  
life  
Cuz in this moment I just feel so alive, alive, alive
