[Intro:]

You know alot of girls be thinkin' my songs are about them.

This is not to get confused.

This one's for you.

[Breakdown:]

Baby, you my everything

You all I ever wanted

We could do it real big

Bigger than you ever done it

You be up on everything

Other hoes ain't ever on it

I want this forever

I swear I can spend whatever on it.

'Cause she hold me down

Everytime I hit her up

When I get right

I promise that we gon' live it up

She made me beg for it

'Til she give it up

And I say the same thing every single time.

[Chorus:]

I say you the f***in' best.

You the f***in' best.

You the f***in' best.

You the f***in' best.

You the Best I Ever Had.

Best I Ever Had.

Best I Ever Had.

Best I Ever Had.

I say you the f***in'...

[Verse 1:]

Know you got a roommate

Call me when there's no one there

Put the key under the mat

You know I'll be overthere

(Yup!) I'll be overthere

Shorty, I'll be overthere

I'll be hittin' all the spots that you ain't even know was there. Ha.
And you don't even have to ask twice
You could have my heart or we can share it like the last slice
Always felt like you was so accustomed to the fast life
Have a nigga thinkin' that he met you in a past life
Sweat pants hair tied chillin' with no make-up on
That's when your the prettiest
I hope that you don't take it wrong
You don't even trip when friends say you ain't bringin'
Drake along
You know that I'm workin'
I'll be there as soon as I make it home
And she a patient in my waitin' room
Never pay attention to the rumors & what they assume
And until them girls prove it
I'm the one that never get confused wit 'cause...

[Verse 2:]

Sex, love, pain, baby I be on that Tank s**t
Buzz so big I could probably sell a blank disc
When my album drop, b***hes'll buy it for the picture

And niggas'll buy it too & claim they got it for they
sister
Magazine, paper girl, but money ain't the issue
They bring dinner to my room & ask me to initial
She call me 'the referee' 'cause I be so official
My shirt ain't got no stripes but I can make your pussy
whistle
Like the Andy Griffith theme song.
And who told you to put them jeans on?
Double cup love, you the one I lean on
Feelin' for a fix, then you should really get your fiend
on
Yeah, just know my condo is the crack spot
Every single show she out there reppin' like a mascot
Get it from the back & make your f***in' bra strap pop
All up in your slot 'til a nigga hit the jackpot
I'm sayin'...

somebody.
Just make sure they that special somebody.
