And I Wouldn't Be Me If I Didn't Get A Little Nasty

Na Na Na Na Na Na Na (x3)

How 'bout we just move over , And just do it where we  
at

How 'bout you just lift that skirt up  
Ohh . . . We can be bad

That place that ain't been touched , I'm feeling on it  
I'll let you sit through, keep spinning on it  
Girl . . . Giddy Up Giddy Up , Take me on a ride to  
ecstasy

You don't wanna bump bump then take a nap  
You just wanna bump bump bring right back  
Watch me  
I'ma heat it up , beat it up  
ohhh

I know you're tired of the usual, usual, usual  
I can give you more than the usual  
Not your regular , Tell you what , Let me touch

You gon' feel something unusual, unusual, unusual  
I'm not gon' do what the usual,  
Not your regular, Tell you what , Let me touch  
You gon' feel something unusual

I wanna do the wicked things you never do  
What if we get it while your friends was in the room  
Is that too hot for ya ?  
Don't you feel bad, Let em feel sexy

We can make a sex room wherever we go  
Take it to the restroom, they ain't gotta know  
No . . . Ohh . . .

Watch me heat it up, Beat it up  
Woo .. Hey!  
Do You hear me girl ?  
Watch me heat it up, Beat it up

Woo

That's the run (Check)  
Cinema (Check)  
On the hood (Check)  
Of The Car (Check)  
On the top (Check)  
On the beach

This that other shit  
You know you ask for it  
I might just save you some money , And getcha  
passport  
So You can come to me city , I'll take you all over  
And Hit you on the balcony , Just don't fall over  
Send me a picture baby , you know I'd never leak it

I know you got something recent , For someone decent  
Why you laughing out loud , I'm serious  
Bring your girl if you a little bi-curious  
Please ; Please No Storytelling of others  
I promise you gon' love it  
I would never let you down  
Feel like I might of perfected , All the things that you've  
expected  
And you gon' know it when you bring your ass around  
Motherfu- Oh!

Get it all different kind of ways  
All different places  
Look at the many little faces you making  
But can you take it

Ohh

Y'all thought I was nasty last year
