Girl, do whatever you like it's your bar
Oh girl, tonight it's on me
Baby tell me what you want

[Rap - Rich Boy]
Me in the zone, gon' a patron
In a club, in a club, playin her song
That's when I slowly approach
She like daddy what you know.
Told the girl (on my drink)
Then she drop it down low

To the floor, to the floor
She took it to the floor
(repeat 3x)

[Drake]
Ok, Ok, Sittin' in a owners box
Or in the Caribbean twitin' off Corona tops
I'm sittin' down hittin' half court flower shot

B*tches takin' pictres because every night's a photo op.
Yeah, and nothing has been photoshopped
I say I'mma buy the bar and they say n*gga no you're
not
I be satisfied with the percentage that my lawyer got
Makin' other people rich is something I enjoy alot
Uh, can you tell even when your girl won't
I'mma still be feelin' me even when the world don't
Sh*t just changed forever first I get alot of dough
Then I end up with your woman that's just how it's gotta
go
Yeah, and i can tell her things and treat her right
You can get whatever baby remember you and me
tonight
Throw the p*ssy at me guarentee that you won't see a
strike
I'mma hit it hard you gon' think you Derek Jeter wife
Uh, tell me, how does that sound?
I can get it ass up and with your back down
Spit that all suki suki in your ear
It's the n*gga Rich Boy and the rookie of the year
