Let me know, let me know  
Ohhhhh, let me know, let me know  
Let me know

[Verse 1 - Drake]

Uh, yeah  
This is really one of my dumbest flows ever  
I haven't slept in days  
And me and my latest girl agreed to go our separate  
ways  
So I'm single

Thinking about what we had and missing you  
But I ain't Santa, I got something for these bad bitches  
too  
I mean paparazzi on me trying not to get caught out  
They always seem to catch me with the woman that I  
brought out  
Baby don't hold on too long 'cause that's how them  
stories start out  
And all the girls that played me eat your muthafucking  
heart out  
It's Drizzy

Always gone but never hard to find  
And since you can't escape me, do I ever cross your  
mind?  
Because all this shit is new to me, I'm learning to  
behave  
And still spending every dollar they encourage me to  
save

But I'm good  
I know that niggas would kill for this lifestyle  
I'm looking forward to the memories of right now  
Never forgetting from where I came  
And no matter where I'm headed  
I promise to stay the same

[Chorus - Young Jeezy]

I'm just riding 'round the city with my hood on and my  
windows down

Ask your girl I'm the realest nigga she been around  
I pull up in something new and park it by the haters  
And when you get to talking 'bout the greatest

[Chorus - (Young Jeezy), Drake]  
(I just really hope that)

You'll think of me  
(I just really hope that)  
You'll think of me  
(I just really hope that)  
You'll think of me  
(I'm doin my thing 3x)  
'Cause I'm tryna be unforgettable...

[Verse 2 - Young Jeezy]  
This just might be my realest flow ever  
When I say fo' life, y'all say fo'ever  
It's hard but it's fair I told that girl life hurts  
The closest you gon' get to this is a Pac T-shirt  
The names Young, baby you know I live that thug life  
The good die young so I'm gon' need a thug wife  
Yeah, I'm talking his and her firearms  
Know our jewelry probably louder than a car alarm  
Yeah, I remember I used to have to sneak the car  
Now my insides looking like a Snickers bar  
Yeah, I'm talking caramel leathers  
Damn right, so fly I need feathers  
You say you sit in them streets, so what's the deal?  
Young done everything in the A but fuck chillin'  
So welcome to my life no two days the same  
Like for y'all to meet the love of my life, her names the  
game

[Chorus]

[Outro - Young Jeezy]  
Got my top dropped on this beautiful night  
This beautiful night to live my beautiful life  
The pain hurts like a cut from a beautiful knife  
Just know she right here on my hip, my beautiful wife

Yeah, just when we got a little breath  
Unforgettable, ya never forget this  
You understand me?  
Timeless homie, unforgettable
