Beautiful girl walking in the room
Everyone notice you every time you love

Chorus: Do you love me? How much I love you?
Can we be like the past or have you move on?
Please don't leave, (please don't leave)
I just want you to stay

Drake:

Fck that nigga, you call your man,
I wish it was just you in me
Just think about that
I need you back in my life
I want you
Just come back
Nikiah, mean so much to me
you all I need and baby
You comfort me.

Chorus:
Do you love me? How much I love you?
Can we be like the past or have you move on?
Please don't leave, (please don't leave)
I just want you to stay
