[Chorus: Nickelus F]

We looking for some j...  
We looking for some j,..  
You better tuck your women cause  
We looking for some j,..  
We looking for some j,..  
If you love em then cuff em  
Cause we looking for some j,..

And when we come around  
You know it's going down,  
When that tour bus pull up get all the ladies in your  
town,

[Verse 1: Nickelus F]

Drake the pretty one,  
Nick the gritty one,  
But we the n-ggas that's surrounded when the bides  
come,  
Pop bottles is our style, you n-ggas sipping rum,  
Got models with smart mouths we call them pretty  
dumb,  
Take your baby home, she strip to reggaeton,  
Make me spend all my money,  
Now I need a payday loan,  
Was born in 82, but ride on 84's,  
Cause I'm making loot, you n-ggas making bones,  
The sky is the limit, I'm high and I'm in it,  
School my,..  
Ask the chickens I be mixing,  
This guy like a chemist,  
Tell haters go bankrupt and get out of my business,  
Yeah I shut down shops,..

Haters get off my balls, ladies get on my jock,  
Know I shut down the street when I pull out the lot,  
Know if I go in my pocket I pull out a lot,

[Chorus]

[Verse 2: Drake]

Look I don't ever drink no... unless it's cold,

And if it's an exclusive I got it for the soul,  
If you ain't got the money I put your purchase on hold,  
Got verses for these records and that paper for the  
phone,  
Hand me mph, I ask no project... my people,  
How come all the whips you n-ggas buying get the  
repo,  
Catch me in something new that I'm rolling with Nicko,  
Either at the crib or in the club or at the depo,  
Hear me though,  
I got the sport range you just get short changed,  
Ya'll n-ggas witness sh-t that happen and you report  
things,  
I do resort things, ST Lucia four springs,  
And I'm important so I import things,  
I fly in planes with 6 windows and short wings,  
My team's exactly what loyalty and support brings,  
Figure that you new that, you must be high,  
We throw parties where you reside at homie,  
Where the f-ck are you at,

[Chorus]
