[drake]  
yeah..  
feel good  
its a celebration, clap clap bravo  
lobster and shrimp and glass of miscotto for the girl  
who's in school  
and her friend who's a model  
finished the whole bottle and we gon do it big like this..  
yeah  
and you was just practice  
he aint in ya world you can take him off ya atlas  
girl ya on fire can i be the one you match wit  
ill get you a credit card and baby you can max this out  
show me where ya tats is  
show me where ya heads at maybe i could grasp it  
they say if you get it you can understand her better  
and she known to be a cheater but thats only if you let  
her  
and i got it together so when they talk and try to  
determ me its like whateva  
tell em i appreciate the help but i just gotta know for  
myself

[uness]

[drake]  
this lifestyle is foul this shit it'll damage ya  
especially when you think no ones understandin ya  
these girl groups with they over protective managers  
got paparazzi over my shoulder clickin they cameras  
snap snap snap til they runnin out of card space  
you remind me of tonys sister in scar face  
just take it easy on love and slow ya heart rate  
goodness gracious the top is just such a hard place  
yeah, but if you never even been there  
it kinda make sence why you dyin to pretend there  
spillin all ya drinks and takin pictures in ya swim wear  
head up in the clouds you survivin on the thin air  
i know that shit is exhausting girl  
you now mistakes are costing girl  
and maybe you dont need to help  
but i just wanna see for myself
