You know a lotta girls be
Thinkin my songs are about them
This is not to get confused
This ones for you

Baby you my everything you all i ever wanted.
We can do it real big.
Bigger then you ever done it.
You be up on everything.
Other h**s ain't never on it.
I want this forever, i swear i can spend whatever on it.

Cause she hold me down everytime i hit her up.
When i get right i promise that we gon live it up.
She make me beg for it till she give it up.
And I say the same thing every single time.

I say you the you the best.
You the you the best.
You the you the best.
You the you the best.
You the best i ever had.
Best I ever had.
Best I ever had.
Best I ever had.
I say you the you.

Know you got a roommate
Call me when its no one there
Put the key under the mat
And you know I'll be over there
(Yup) I'll be over there
Shawty, I'll be over there
I'll be hitting all the spots that u ain't even know was
there
Ha. And you ain't even have to ask twice
You can have my heart or we can share it like the last
slice
Always felt like you was so accustom to the fast life
Have a n**** thinking that he met you in a past life
Sweat pants, hair tied, chilling with no make up on

That's when you're the prettiest
I hope that you don't take it wrong
You don't even trip when friends say you ain't bringing
Drake along
You know that I'm working I'll be there soon as I make it
home
And she a patient in my waiting room
Never pay attention to them rumors and what they
assume
And until them girls prove it
I'm the one to Never get confused with Cause.

Baby you my everything you all I ever wanted.
We can do it real big.
Bigger than you ever done it.
You be up on everything.
Other h**s ain't never on it.

Sex, Love, Pain
Baby I be on that tank s***
Buzz so big I could probably sell a blank disk
When my album drop
B****es will buy it for the picture
And n****s will buy it too and claim they got it for they
sister
Magazine paper girl
But money ain't the issue
They bring dinner to my room and ask me to initial
She call me the referee
Cause I be so official
My shirt ain't got no stripes but I can make yo p****
whistle
Like the Andy Griffith theme song
And who told you to put them jeans on
double cup love

You the one i lean on
Feeling for a fix then you should really get yo phen on
Yea just know my condo is the crack spot
Every single show she out there repping like a mascot
Get it from the back
And make yo f***ing bra strap pop
All up in yo slot until the n****hit the jackpots

Baby you my everything you all i ever wanted.
We can do it real big.
Bigger then you ever done it.
You be up on everything.
Other h**s ain't never on it.
I want this forever, i swear i can spend whatever on it.
