Jake

I was just thinking about how much friendship you gave
me and I appreciate the way you did
It's been like a long time since we've been
friends and I hope it never ends so this is what i say
Can you take me all around the world
with my favorite girl
Take me anywhere all around the world
I can do the same we're not the ones to blame
I 'm so glad you came all around the world
Cause I cant die without you 4x

Drake

I was just thinking of how we used to laugh
the promises we had but we say..

Jake

Don't make promises you cant keep

Drake

But I dont care cause we can be anywhere
but even though we are friends we'll be friends
till the very end
But before we de I want to know ...

Chorus Jake/Drake 2x

Don't die
dont die
dont die without me 2x

Jake

I cant let go
Because sooner we'll know

Drake

Before we die

Jake/Drake

I just want to know
can you take me..
All Around The World!!!!!!!

Chorus 4x
