I hope you know how the pain i went threw  
trying to clean up everyone elses act  
and figure out my life  
watched you walk out  
watched the leave  
knowing ive tried to forget those moments  
it is forgiven  
but not forgotten  
chorus:  
If I wrote a letter to you,  
heres what it'd say:  
Your pathetic,  
your a miserable image of what a man should be  
my mom took your place and still did hers  
now theres a real woman  
i love you  
but i really don't like  
Verse:  
So I used your image of a man,  
of an example of what not to be  
I am good and broken  
but healing slowly  
only god and i can i've learned that  
but now your gone  
  
bridge:  
bye bye  
leave  
i don't want you near me  
get out leave now  
like you did once  
your weak and pathetic  
and i cannot forgive it  
  
chorus
