Drake:

I never thought that it'd be so simple but  
I found a way, I found a way  
I always thought that it'd be too crazy but  
I found a way, I found a way  
And if you open up your mind  
See what's inside

Chorus:

It's gonna take some time, to realize  
But if you look inside, I'm sure you'll find  
Over your shoulder you know that I told you  
I'll always be pickin' you up when your down  
So just turn around

Drake:

Now that I know that anything's possible  
I found a way, I found a way  
No one can break what is so unbreakable  
I found a way, I found a way  
And if you open up your mind  
See what's inside

Chorus:

It's gonna take some time, to realize  
But if you look inside, I'm sure you'll find  
Over your shoulder you know that I told you  
I'll always be pickin' you up when your down  
So just turn around

Drake:

No one cares, what you give  
You know you gotta live like you wanna live  
When it's time, to be free  
You know you gotta be what you wanna be

And if you open up your mind  
See what's inside

Chorus:

It's gonna take some time, to realize

But if you look inside, I'm sure you'll find  
Over your shoulder you know that I told you  
I'll always be pickin' you up when your down  
So just turn around  
Ooh Ooh
