I'm tired of all your excuses
I'm tired of all your lies
Your filthy schemes and abuses
Ooh, I've finally grown wise
Got tired of chasin' it down
Baby it's better that I'm not around

And I'm on the highway to nowhere
Tryin' to get high without you
I don't know why it took me so long to
Wind up back at nowhere with you, oh
Wind up back at nowhere with you
Wind up back at nowhere
Wind up back at nowhere with you

It's time for a little payback
It's time for a little respect
You can't just rewind and playback
All of the shit that you wrecked

And I'm on the highway to nowhere
Tryin' to get high without you
I don't know why it took me so long to
Wind up back at nowhere with you, oh
Wind up back at nowhere with you
Wind up back at nowhere
Wind up back at nowhere with you

And I'm on the highway to nowhere
Tryin' to get high without you
I don't know why it took me so long to
Wind up back at nowhere with you
Wind up back at nowhere with you, oh
Wind up back at nowhere with you, oh yeah
Wind up back at nowhere
Wind up back at nowhere with you
Wind up back at nowhere with you
Wind up back at nowhere with you

Back at nowhere, nowhere, wind up back with you
I'm back at nowhere, nowhere, wind up back with you
Back at nowhere, nowhere, wind up back with you

I'm back at nowhere, nowhere, wind up back with you

Let's go home
