

## Drake Bell "Lonely"

Didn't know what this feelin' was  
Til it stopped right behind me  
Don't know if I call it love  
But I'm not takin' it lightly

'Cause I'm livin' in my own world  
No one cares if I stay or go  
Away from  
Here in my own world  
I don't have much to show  
One thing I know

Lonely  
Has always been friends with me  
And I don't know if I could give you what you need and  
Lonely  
Has always had time for me  
But maybe your love  
Is just what I need

Take away this pain  
That I have created  
'Cause you helped me change  
'Cause I'm broken and faded

'Cause I'm livin' in my own world  
No one cares if I stay or go  
Away from  
Here in my own world  
I don't have much to show  
One thing I know

Lonely  
Has always been friends with me  
And I don't know if I could give you what you need and  
Lonely  
Has always had time for me  
But maybe your love

Try to fight try to stop try to hold back  
Try to stay all alone 'cause I know that  
Lovin' me

Ends tragically

Lonely

Has always been friends with me

And I don't know if I could give you what you need and

Lonely

Has always had time for me

But maybe your love

Is all that I need

All that I need

Is all that I need
