Lost a lover and
Gained a friend
I can't afford all the love that I spend
You said you'd wait for me
But there's no commitment I see

Can't you see I'm in love with you
Can't you see there's so much I do
You keep my head spinning around
It's hard to keep my feet on the ground

Talk to you in metaphor
I know the end babe
I've been there before
Oh how I want to be your friend
But I don't want this love to end

Can't you see I'm in love with you
Can't you see there's so much I do
You keep my head spinning around
It's hard to keep my feet on the ground

Can't you see I'm in love with you
Can't you see there's so much I do
You keep my head spinning around
It's hard to keep my feet on the ground

Thought our love would go on and on
Now I can't believe your gone
Like the heavens have no end
Why cannot I have your love again

Can't you see I'm in love with you
Can't you see there's so much I do
You keep my head spinning around
It's hard to keep my feet on the ground
