I kiss your eyes
I say goodnight
I love is pouring out to you

I feel you cry
It's not goodbye
I'm only leaving for some time

Know I'll see you again
Don't forget I'm your best friend
Know I'll see you again
So let me go 'cause this is not the end

I feel you breathe
You mean so much to me
I mean you make me feel like so much more

Don't look away this time
Don't be afraid when I'm
Just trying to say what I didn't before

Know I'll see you again
Don't forget I'm your best friend
Know I'll see you again
So let me go 'cause this is not the end

Is it not fair
To let me fly
Awhile

I will see you again
Don't forget I'm your best friend
Know I'll see you again
So let me go 'cause this is not the end
