(I am the Hourglass)
Darkness has found you
Evil surrounds you
No one to save you
We're almost out of time

What do you do with nothing can be done
Where do you go with nowhere left to run

Where is the one who
Stands up and tells you
I'm here to save you
We're almost out of time

Nobody knows just who he's tryin' to be
Behind this mask, his wings, his suit of green
Just in time to reach up for the sky
And fly away
Don't worry you're safe
In my arms cause it
Takes your love to lift me up
It's safe to say
You and I were always meant to be
So I will show you why
I'm here to stay
Don't they know that I'll protect you
Don't they know they'll have to get through me
Don't worry you're safe

(Your time is up!)
Watch out behind you
This is designed to
Quickly remind you
We're almost out of time

Somebody tell me what he's trying to be
Behind this mask, his wings, his suit of green
Just in time to reach up for the sky
And fly away
Don't worry you're safe
In my arms cause it

Takes your love to lift me up
It's safe to say
You and I were always meant to be
So I will show you why
I'm here to stay
Don't you worry
I'm the one who lets them know that I'll protect you
Don't they know they'll have to get through me
Don't worry you're safe
In my arms
So believe
It's easy

Dragonfly dragonfly
He's a special kinda guy
Dragonfly dragonfly
Maybe you should sue him if he lets you die
Dragonfly dragonfly
Put a sign up in the sky
Dragonfly dragonfly
He's always available anytime

(The man with) the plan
All over the land
He does what he can
For he is the man
Look out it's the dragonfly
