It's just another day  
Like any other day  
Til I opened up the shades  
And it was black as night  
And I don't know what I've done  
But I woke up on the wrong side of the sun

Was it something that I said  
Something that I did  
That got inside your head  
Made you walk away  
'Cause I don't know what I've done  
But I woke up on the wrong side of the sun

I still don't have a reason  
And I hope that I'm dreamin'  
'Cause it looks like you're leavin' me now

My world won't stop turnin'  
And left me here learnin'  
To live with the darknes I've found

Must be some mistake  
This isn't how it ends  
My heart's not supposed to break  
Someone shed some light  
'Cause I don't know what I've done  
But I woke up on the wrong side of the sun

I still don't have a reason  
And I hope that I'm dreamin'  
'Cause it looks like you're leavin' me now

My world won't stop turnin'  
And left me here learnin'  
To live with the darkness I've found

It's just another day  
Like any other day  
Til I opened up the shades

Whoa  
Don't know what I've done  
But I woke up on the wrong side of the sun  
Mmhmm  
And I don't know what I've done  
But I woke up on the wrong side of the sun

Don't know what I've done  
But I woke up on the wrong side of the sun

And I don't know what I've done  
But I woke up on the wrong side of the sun

Yeah
