I have lost my way into the wood  
Where am I tonight?  
Fear inside, I'm lost and so alone  
Where will I go?  
I have reached a hill and tried to climb  
Now the dawn has come  
But a Wolf is standing in my way  
Won't let me go

Are you real, or nothing but a ghost?  
Save me from the Wolf!  
|Follow me|, he says, |And you will see what's beyond  
life|  
On the Hill of Dawn I climb behind him  
He's the guide and master  
Now in front of us there is a door  
Where will it lead?

[Spoken Bridge:]  
Per me si va nella citta dolente,  
Per me si va nell'eterno dolore,  
Per me si va tra la perduta gente.  
Dinanzi a me non fuor cose create  
Se non eterne, e io eterna duro.  
Lasciate ogni speranza, o voi ch'entrate.

[Chorus:]  
Virgil  
Guide me through this world  
Where spirits cry  
Keep me safe and tell me how  
To live my life

[Chorus]
