What (13x), huh  
What, What, What (huh)  
It's time to separate all the trio  
From the bustas  
You heard me  
DRAMA  
AHHHHHHHHH

Chorus:  
Let's go to war  
Let's go to war  
Let's go to war with these bust ass niggas  
Let's go to war  
Let go to war  
Let go to war  
Let go to war with these bust ass niggas

Verse 1:  
Jump when I say jump  
Go when I say go  
Tura gots the loot with the K's on my check  
I scrap with grenade  
'Cause in the south niggas don't play  
And every nigga that I know keep a chopper on K  
What's gon happen is gon happen  
So fuck now stop jacking  
Nigga all clikk clacking  
I told you once  
I told you twice  
That y'all miggas ain't ready for me  
I hear you talking shit  
But pussy nigga I ain't worried  
But now they like my dick  
I take the help and keep it whipping  
'Cause deep down south fifth ward niggas ain't scrap  
Who need the name of Drama putting it louder on the  
map  
Slap it like a pig  
So you hater best sit  
'Cause if you don't sit it down  
Now bust on Busta Rhymes

For nigga it's either or  
But nigga I'm screaming war  
Choppers and K's  
Fully loaded automatic  
(3 second pause)  
So fuck all the static

Chorus

???? nagging me to my enimes  
Leaving nigga booted live abused and stared  
I'm bitching like Al Capone  
My AK at crack of dawn  
????????????????????  
He ??? my mooma pussy and came out screaming war  
My daddy he couldn't be found so I was neglected low  
They say Drama you ain't right  
They say that I'm dead wrong  
But if ??? niggas cross me I'm cracking they fucking  
dome  
Go off like a time bomb  
But Drama I beat it  
Now Peter Peter the pussy eater  
I'm packing a millimeter  
They's call me the fucking heater  
'Cause I'm leaving niggas wrong  
Put a tag on that nigga toe  
'Cause he'll never breathe again ( OK )  
Drop to my knee  
Asking Peter if he'll forgive my sins  
The sins that I committed  
I plotted before I did it  
I'm looking at seventy plus  
'Cause it was premeditated  
The witness he never made it  
'Cause I'm leaving nigga faded  
Be straightened by playa haters  
Them bustas they wanna do  
But I bar none 'cause I'm the 2000 John Wayne  
Talk the talk  
Nigga lets walk the walk  
And better worry pussy nigga  
Let's go to war

Chorus

Well if it's on it's on  
Well if it's on it's on  
Well if it's on it's on fuck nigga bring it on

Well if it's on it's on
