[Leif Erikson, Year 1000:]

I will take my vessel  
Far beyond the sea  
Unfurl the sail now  
For it's time to leave

[Bridge 1:]

Heading for a new world  
We are conquerors  
And we're looking for new shores

[Chorus:]

Ridin' on the waves of tide  
Sailing to the future  
Dragonhearts are brave and proud  
Won't be taken down!  
This is our way of life  
We were made for sailing  
Wandering on every sea  
Faces in the wind

[Cristoforo Colombo, Year 1492:]

Our ships are ready  
I can barely wait  
Do they think I'm crazy?  
I will prove I'm sane

[Bridge 2:]

I know we can do it  
To the West we go  
We will reach the Indian shores

[Chorus]

Never will be easy  
Not a trip like this  
If the fear should take us  
Answer with a grin

[Bridge 3:]

If we pull together  
Like we always did  
We can handle everything

[Chorus]
