You know I represent the A Town and I ain't gon' stop
And we forever stay down that why we on top
Catch me on Bankhead sittin' on fo's
I don't give a damn how many records I sold

I'ma represent the A Town
Let me welcome you to the A Town
Bankhead Westside nigga A Town
Adamville, Alley Temple
Nigga A Town, aye and I said

I jumped off the post Center Hill I was seven then
Moved to College Park at eleven started sellin' wit
It started sinkin' in, they really gave my uncle ten
Now what I'm 'posed to do? Get a crew and start
hustlin'

Now we trappin' up on Campbellton, ask 'em, they
remember me
We used to move that work from Oak City way to
Kimberly
Took the hustle out that Riverdale, made a killin' G
Brought it back to Bankhead, where I'm gon' see it till
it's history

On the Westside trillin' up, Zone 3 fillin' up
Herndon Homes, Bowen Homes, Harvel Homes, fillin'
up
Ain't nobody trill as us, Bankhead really fucked
That's why my Dayton rims make yo' rims look like titty
fuck

Listen up, only nigga in the South they talkin' 'bout
Put your bitch out on the expressway make her walk it
out
A Town showin' up, Fulton County veteran
Spread all the way too Tennessee

You know I represent the A Town and I ain't gon' stop
And we forever stay down that why we on top
Catch me on Bankhead sittin' on fo's
I don't give a damn how many records I sold

I'ma represent the A Town
Let me welcome you to the A Town
Bankhead Westside nigga A Town
Adamville, Alley Temple
Nigga A Town, aye and I said

Straight from Decatur, an Eastside mayne
From Glenwood to County Road niggas gettin' paid
From Weslyn Chapel back to Covington Highway
I still pull up just like in my driveway

Ya can't do a song about the A without me
See I was gettin' money while they was in car seats
See I was in the street, shawty totin' that heat
Throw the E's in they face and let 'em know I'm 'bout
heat

You know I represent the A Town and I ain't gon' stop
And we forever stay down that why we on top
Catch me on Bankhead sittin' on fo's
I don't give a damn how many records I sold

I'ma represent the A Town
Let me welcome you to the A Town
Bankhead Westside nigga A Town
Adamville, Alley Temple
Nigga A Town, aye and I said

This was 'round the time when niggas first saw bricks
Back when Ronald Reagan was the president and shit

Drama had a house right off of Hollywood Road
(Westside)
They was robbin' and tastin' Hollywood coke
Mama say we movin'
When she get a lil' mo' paper she enrolled me into

But it will weigh out in Decatur

This was 'round the time when Elay Meadows was the
ghetto
And I was sleepin' with the rats and roach gloss on my
pillow
When niggas rolled hammers down Calabenki
Put that Ghetto Mafia back in I'ma fizz off

Back when niggas didn't know shit about a cigarillo
I was gettin' my grind on flat shows at the
