[J. Cole]

All you need to know about me is I never play the loops
Always aim high and rarely obey the rules
Never tell my business if I did it'd make the news
They say time is like money
You should come here pay your dues
And come and kick it
Can I get a minute
Maybe an hour
Would you like me peek your head in for a second
while you shower
I bet you got some real good power if you feel me
I'm on some Marvin Gaye shit
You know what's just gon' help me baby

[Chris Brown:]

I said excuse me Mrs. Officer
Can you go undercover for me
Ain't enough looking in your cup
I'm tryna get you drunk as fuck
Take her to my crib then I lock her in them handcuffs
Panties off stupid booty
Ready for war
