"Everybody Dies"

Everybody dies, everybody's gonna die.
Everybody dies, everybody's gonna die.
I know lots of dead people,
You know lots of dead people,
Every single second something dies.

Everybody dies, everybody's gonna die.
Some from getting old, getting sick, or getting high.
I know lots of dead people,
You know lots of dead people,
Every single second, something dies...

And nobody comes back to say how great it is,
That's just how great it is,
'Cause nobody comes back to tell you
They're having too much fun,
Too much fun in heaven.
That's just how great it is,
How great it is...

Everybody dies, everyone is someday through.
Everybody dies, it's the only thing that's true.
I know lots of dead people,
You know lots of dead people,
Every single second, something dies.

And nobody comes back to say how great is is.
That's just how great it is,
'Cause nobody comes back to tell you
They're having too much fun,
Too much fun in heaven.
That's just how great it is,
How great it is...
How great it is...
How great it is...
