Here she comes
Better watch your step
She's going to break your heart in two,
Yeah, it's true.
It's not hard to realize
Just look into her false colored eyes
She'll bring you up just to put you down
Oh, what a clown.
Cause everybody knows
(Femme Fatale)
The things she does to please
(Femme Fatale)
She's just a little tease
(Femme Fatale)
See the way she walks
And hear the way she talks.
You're written in her book
You're number 47 have a look
She's going to play you for a fool
Yeah, it's true.
Little boy, she's from the street
Before you start, you're already beat
She'll use her smile just to make you frown
Oh, what a clown.
Cause everybody knows
(Femme Fatale)
The things she does to please
(Femme Fatale)
She's just a little tease
(Femme Fatale)
See the way she walks
(wolf whistle)
And hear the way she talks.
Cause everybody knows
(Femme Fatale)
The things she does to please
(Femme Fatale)
She's just a little tease
(Femme Fatale)
See the way she walks
And hear the way she talks.
Cause everybody knows...
