And I know how it's to be
There is nothing left for you and I
Some are young and some are free
But I think I'm going blind
Yeah I think I'm going blind
And I know how it's to be
Little lady can't you see
You're so young and so much different from I
Some are young and some are free
And I think I'm going blind
Yeah I think I'm going blind
And I know how it's to be
Yeah
And I think I'm going blind
And I know how it's to be
Little lady can't you see
You're so young and so much different from I
I'm 93 you're 16
And I think I'm going blind
Yeah I think I'm going blind
And I know how it's to be
