Radio plays a song all night
Miami's just a five hour flight
Didn't you say you don't like what you're
Doing?

You know, last night I was on TV
Hey, don't that make a big bore of me
I didn't think I'd hate this, man, what I'm doing

You know out here it almost never rains
And they've hardly heard about hurricanes
Well that's one less thing to care about, just
Like Miami

There's a lot of love and a lot of laughs
I even get to sign autographs
I'm gonna get my picture taken with Frank,
Dean, and Sammy

You know I feel really lonely cause I'm always
By myself
Now there's folks around and I'm not behaving
Properly
I don't eat too good
Don't sleep too good
Don't write too good
Don't drive too good
Don't think too good
Don't drink too good
Don't sing too good
Don't (?) too good

I'm alright
I feel so miserable
Where are you tonight?

Oh, c'mon c'mon c'mon c'mon c'mon...

Hold my hand, I've got a new career
But it's still warm out here, yeah it's still warm
Out here
I know it's lovely there this time of year

But it's still warm out here, yeah it's still warm
Out here
Hold my hand, I've got a new career
But it's still warm out here, yeah it's still warm
Out here
I know it's lovely there this time of year
But it's still warm out here, yeah it's still warm
Out here

Yeah, step right up, c'mon c'mon
Got a great big (tree?) here,
Watch it fall
(?) and that's not all
(?)
(?) chinese wall
(?) Taj Mahal
