Well I never want to fight  
And I'm sorry that I bit her  
But she always thinks she's right  
And it makes me want to hit her  
I don't want to scream and shout  
I'd much rather hear her whisper  
And it's all I think about  
Whenever I'm with her  
Well it wouldn't be so bad  
If she'd tell me what's the matter  
And I wouldn't get so mad  
When I heard her vicious chatter  
I hear voices in my ear  
And I'm thinking with my zipper  
But they always disappear  
Whenever I'm with her  
Well it wouldn't be so bad  
If she'd tell me what's the matter  
And I wouldn't get so mad  
When I heard her vicious chatter  
I hear voices in my ear  
And I'm thinking with my zipper  
But they always disappear  
Whenever I'm with her
