Is this a ship  
I have heard of?  
Is this a room I prayed in?  
Is this a mirror where I appeared?

Strike it from my vision.

I don't think I have been  
I don't think I have seen.

Set in your eyes where I go.  
Slip it inside where I know.  
You put your body on the floor.

Yeah yeah  
You're a stone's throw.  
You're a stone's throw.

Yeah you give me the slip.  
But I know where you live.

You're just a stone's throw  
From one of the places I go.  
And I have followed you there.  
I have watched you at night  
Through the curtains as your brushed your hair.

I never wanted to intrude.  
I just wanted to get to know you.

Set in your eyes where I go.  
Slip it inside where I know.  
You put your body on the floor.

Yeah yeah  
You're a stone's throw.  
You're a stone's throw.

I just wanted to get to know you.  
I guess the situation got a little of hand.  
Got a little of hand.

Bring me home.

You're a stone's throw.

You're a stone's throw.

You're a stone's throw.
