"Last Goodbye"

Take me down this road
I've been down here once before
Take me down this road
Once again, never again, forevermore
Take me down this road once more

Take this love
Take this life
Take this blood
I'll never die
Take this love
Take this life
Take this blood
I'll never die
This aint the last goodbye

Take me down this road
Just to see a smile on your face
Take me down this road
All that is and all that was can't be replaced
Take me down this road once more

Take this love
Take this life
Take this blood
I'll never die
Take this love
Take this life
Take this blood
I'll never die
This aint the last goodbye

[Zakk being awesome]

Take this love
Take this life
Take this blood
I'll never die
Take this love
Take this life
Take this blood

Itll never die
This aint the last goodbye
