If I feel this feeling
If I let myself go deep again
Will you stay by my side? Yeah

'Cause if I feel this feeling
Things won't ever be the same again
If planets collide, I won't mind
No, I'll be fine

'Cause I can't see the sun any more
I can't feel the drugs any more
I can't see the sun any more
But I don't mind, you're by my side
I feel fine

Are you my revelation?
Are you the answer to my question?
Have I wasted my time? Yeah

'Cause if I feel this feeling
Will you crawl out of your perfect skin
And climb in to mine, will you shine?
Will you be my light?

'Cause I can't see the sun any more
I can't feel the ground any more
I can't see the sun any more
But I don't mind, you're by my side
And I feel fine, and I feel fine

Hey Michelle, we're too young to be alone
Hey Michelle, is your heart still made of stone?
Hey babe, I call her, will you take me home?
Hey babe, I'm calling, hear me calling

'Cause I can't see the sun any more
Can't feel the drugs any more
I can't see the sun any more
But I don't mind, I'll go blind

I can't see the sun any more
I can't feel the ground any more

I can't see the sun any more
But I don't mind, you're by my side
And I feel fine, I feel fine

Yes, I feel fine
?Chell, ?Chell, ?Chell
?Chell, ?Chell, ?Chell
