So, let me stay
Stay a little while
I'll be gone girl
Before the sun can rise

I know you're scared
I know your father's mad
I know the saying in thee
And "I'd make you sad"

[Bridge]
But I won't give up and I don't mind waiting,
I can wait another day
And I won't give up, and I don't mind watching
But I can't walk away

[Chorus]
'Cause I lost my shadow, lost my heart
Broke my back and crash my car
And I know that I've got one last chance to show you the
real you

So, will you stay?
Stay for a little while
Everything is easy
When you let me see you smile
And I'll go down
Down before it's through
There's nothing secret
That I wouldn't do for you

[Bridge]
[Chorus]

And I lost my shadow, lost my heart
Broke my physique, crash my car
And I know that I've got one last chance to show you the
real you

And I don't mind waiting
And I don't mind watching
But I can't walk away

And I don't mind waiting
But I can't walk away
And I don't mind watching
But I can't walk away
