There are things,  
I have done.  
There's a place,  
I have gone.  
There's a beast,  
And I let it run.  
Now it's runnin' my way.

There are things,  
I regret.  
That you can't forgive.  
You can't forget.  
There's a gift,  
That you sent.  
You sent it my way.

So, take this night.  
Wrap it around me like a sheet.  
I know I'm not forgiven,  
But I need a place to sleep.  
So, take this night.  
Lay me down on the street.  
I know I'm not forgiven,  
But I hope that I'll be given  
Some peace.  
There's a game,  
That I played.  
There are rules,  
I had to break.  
There's mistakes,  
That are made.  
But I made 'em my way.

So, take this night.  
Wrap it around me like a sheet.  
I know I'm not forgiven,  
But I need a place to sleep.  
So, take this night.  
Lay me down on the street.  
I know I'm not forgiven,  
But I hope that I'll be given  
Some peace.

Some peace.

Some peace.
