### "Throwin' It All Away"

You couldn't feel the sunlight upon your face  
Your little word  
A little out of place  
You couldn't hear the ocean  
You couldn't hear the waves  
I know you want to come back  
I know you mean to stay  
All you touched all you know all you loved  
Well i can see your smile  
Can you see my tears  
I reach to hold you  
But you aint there  
You left a hole so big lord...beyond repair  
Ill try to find forgiveness in taking what  
Will never share  
All you touched all you know all you loved  
You just left them there with nothing to say  
Chorus:  
You're just throwin it all away  
No you didn't care to see the light of day  
You're just throwin it all away  
Like the sand upon the beach  
Your crashing waves come and took you away
