My daddy told me always be strong son  
Don't you ever cry  
You find the pretty girls and then you love them  
Then you say goodbye  
I never dreamed that you would leave me  
But now you're gone  
I never dreamed that I would miss you  
Woman won't you come back home

I never dreamed that you could hurt me  
And leave me blue  
I've had a thousand, maybe more  
But never one like you  
I never dreamed I could feel so empty  
But now I'm down  
I never dreamed that I would beg you  
Woman I need you now

It seems to me I took your love for granted  
It feels to me that this time I was wrong, so wrong  
Oh Lord now I feel so lonely  
I say woman won't you come back home

I tried to do what my daddy taught me  
But I think he knew  
Someday that I would find one woman like you  
I never dreamed that it could feel so good, Lord  
That two could be one  
I never knew about sweet love  
So woman won't you come back home  
Oh baby won't you come back home
