The radiation age
Immortality
No-one lives forever
But I though life was ending far too soon
No-one lives forever
That's why I'm alive in my cocoon
Arise the thin-ice boys
H.P. energy
No-one lives forever
But I though life was ending far too soon
No-one lives forever
That's why I'm alive in my cocoon
Spare part surgery

False security
No-one lives forever
But I though life was ending far too soon
No-one lives forever
That's why I'm alive in my cocoon
The sounds of thinking metal
We used to call him mother wouldn't you
No-one lives forever
There's no more room for you in my cocoon
