I know a time called then  
When we were only men  
And to be alive  
Just meant you hadn't died  
Time can't erase  
Heartbeats  
Out of phase  
And your empty eyes  
Don't seem to want to realise  
Oh! 2025  
When we were still alive  
Oh! 2025  
When we were only simple men  
And in the automat  
!!! [sound effect]  
And that was that  
We didn't mess with time  
Knock things out of line  
Oh! 2025  
When we were still alive  
Oh! 2025  
When we were only simple men

And in the dreamless night  
I pulse  
Out of sight  
Am I the only man  
No part of any plan  
Before the age of clean  
Before the power screen  
Before the maser beam  
Before my world was only me  
Oh we were young and free  
You can't alter me  
So now you keep me here  
Is this law  
Or is it fear  
Oh! 2025  
When we were still alive  
Oh! 2025  
When we were only simple men
