Moments...

(I) Count each moment

Believing you'll set me free

Wanting...

Draws you closer

I taste you on the air I breath

Touch me

Feel me

Come and feel the love this time that's in my heart and
set me free

Touch me

Feel me

Save me from this emptiness inside

Here ah comes the sun

Here ah comes the feeling

Here ah comes the moment that we've waited for so
long

[X2]
