Now walk it like that chick Naomi
I don't wanna hit it till da morning
Let me get up in da middle like monie
Now listen girl yous my mothaf*in homie

Girl I got a suggestion
Hop ya ass in the car and don't ask me no questions
Ay yo driver pay attention
What u lookin in the rear view for huh Benson
I shoulda pulled out the Bentley Coupe
The GT seats look like Campbell Soup
Mmmm mmmm good you so lovely
You say you from the hood; you sayin dre thug me
You want it wit ya ipod on
So u can get hip to all my songs
And we can do it to the beat
It goes boom boom boom boom skeet
Now hoe u like that ma?
The way she screamin had me thinking that I mite that
broad...check
Mike check 1-2 what is this
It's a cool&dre; production and a epidemic

Now walk it like that chick Naomi
I don't wanna hit it till da morning
Let me get up in da middle like monie
Now listen girl yous my mothaf*in homie
[repeat]

Naw dog I aint the one to f*ck wit neither
And he so hot I got the fever
On my side yep that's where I keep her
Clip full of z's you can catch some sleep bro
I'm from a city where dey slap dey cheeks
And do tricks??
Pay attention this a motion feature
Starrin me and the buttnaked slim bo-legged skeeza
She goin downtown like SWV um
That's a little dated wait let me update it
Think monica louinski, paris, and moesha
Head in the hotel sippin brandy smokin reefa

And I'm so high ya boi don't lie
That's my homie crack's phantom I don't own that ride
But I got some black Trojans and it goes quite nice
And once under your La Perla, I can go all night

Now walk it like that chick Naomi
I don't wanna hit it till da morning
Let me get up in da middle like monie
Now listen girl yous my mothaf*in homie
[repeat]
