(Dre Dog)

Nigga it's the J to the I to the M to the J-O-N-E-S

Nigga in the flesh

Chewy boy, doobie with the buddha cess

I'm like the Lion King cause everything I see is mines

And Tommy Tuckers man they stop and fuck us like a sign

So read my mind, the situation's critical

And off that chewy man shit can get like (??britical??)

You think you know me? Well test your luck and try me out

And watch me treat you like a cow in a slaughterhouse

That cutty chrome, that microphone

That new Jim Jones, that indo zone

That watch that valium on your dome

I'm putting beary fairy niggas in a state of shock  
(shock!)

And I'm a killa whale but nigga check my pimp walk

So bust that, crush that, crush that

Cuh-crack crack!

That's how that nigga's neck snap

I'm harmon like that (??move a ree??)

Deadly like that Octagon

Fillmoe to the fuckin heart

Crooked like the Pentagon

Recka! Niggas get jumped like checkers  
So what's the use if fuckin Salt if I can't fuck with  
Pepper  
So check my rep, survival tech, and hit man killa tactics  
Niggas get berry faced down on silver plastic  
Mothafucka, niggas get split like a wishbone  
Dank or dope, bank or cope, Nigga Mista Jim Jones  
The fat rat dominator, microphone terminator  
Quick to break the neck of an E-40 imitator  
Nigga don't front, you know I got you open  
With more Raider in me than they ever had in Oakland  
To all you mothafuckas that juss can't tell  
I'm a Pisces but I'd rather be a killa whale  
PLOT!

To all you mothafuckas that juss can't tell  
I'm a Pisces but I'd rather be a killa whale

To all you mothafuckas that juss can't tell  
I'm a Pisces but I'd rather be a killa whale

To all you mothafuckas that juss can't tell  
I'm a Pisces but I'd rather be a killa whale

To all you mothafuckas that juss can't tell  
And I'm a Pisces but I'd rather be a killa whale

(Dre Dog)

Nigga check my Ike Turner way of doin things  
Not out for peace, Dre Dog is out to ruin things  
The most hated mothafuck in the Frisco park  
And Tommy Tuckers that talk foo I watch like a hawk  
So strike a pole, strike a deer when you see me bitch  
And like a hound on a fox fool I'm on your scent  
You fuckin skunk  
Some sugar red some chocolate ty skunk (what?)  
These niggas step up and get hung like a duck  
Cause I'm the dirty worm hunter  
The catterpillar killer  
Attitude juss like a ruthless Cuban coke dealer  
In Miami, nothin but the money and the power  
A deadly mix at 6 foot 6 I'm sorta like a tower  
Or a tanker, a mothafuckin Iraq tanker  
Nigga raise up and get (dropped!) dropped (dropped!)  
like an anchor  
The Gaurdian Angels lookin straight to rip right on the  
spot  
Cause all you are are voluntary unpaid rent a cops  
And I'm a factor, better yet a motherfuckin force  
Now I gotta shoot you like a broke legged horse  
In pain, nigga break me off beneficial

Mothafuckas praise Nino Brown and Felix Mitchell  
Big bread, too mothafuckin smart for the feds  
These niggas try to raise up (what you say?) but I heard  
(what i said)  
what  
you said  
I'm like woof, I know foo but you don't have a clue  
(Fuck you!) Nigga fuck me? NO NIGGA FUCK YOU!  
Fuck them mothafuckas I don't duck them mothafuckas  
I say fuck them mothafuckas I don't trust them  
mothafuckas  
So without a doubt I'll turn it out I ain't got no time to  
clown  
My first words are to the point-nigga lay it down  
So rock me up cause I'm dope and triple beam to scale  
311 is my block but nigga I'm a killa whale  
CAUGHT!  
To all you mothafuckas that juss can't tell  
I'm a Pisces but I'd rather be a killa whale

To all you mothafuckas that juss can't tell  
I'm a Pisces but I'd rather be a killa whale

To all you mothafuckas that juss can't tell  
I'm a Pisces but I'd rather be a killa whale

To all you mothafuckas that juss can't tell  
I'm a Pisces mothafucka
