[Chorus][Hook]

They Say Its All On Me
Nobody Else Could Account For
My Actions If I Acted On Downfall
And Is Just Whats It Goin Be
And This Goes Out To My Hood
And You Could Tell Them Im Good
Im Not Goin Drop And Im Never Goin Stop
If You Cant Push To The Limit Or Rise To The Top
And Is All On Me
On me on me
I guess it's up to me know
Cause now i'm ripping rapper's
From the young to old and senile
I made it so you see now
You hate it and you see how
The shooting all star that could never ever be fouled
Ima beast wow, A guinness fact
L.I my new spine see its on my back
See now you fronting cause the games is my new
game
And my names in the frame of the character you
playing
Im just saying road to the rappers that is itching but we
spraying
code of the captain of the kitchen that is Cajun
legend to the ill remain the same
i don't brag about my chain for the gimmick game
fake industry telling you to change ya name
and put this ice on your neck or you wont make to the
stage
all on me birthday to my worst way
spiting way to hard thirsty

[Chorus][Hook]

They Say Its All On Me
Nobody Else Could Account For
My Actions If I Acted On Downfall
And Is Just Whats It Goin Be
And This Goes Out To My Hood
And You Could Tell Them Im Good
Im Not Goin Drop And Im Never Goin Stop
If You Cant Push To The Limit Or Rise To The Top

And Is All On Me
Simba of my jungle (roar)
Mufasa left it on me
He said watch out for scar
He two faced and he phony
Turn my head every seven steps im feeling lonely
Because the game's a bad bitch that be fronting homie
C&O the dashboard be chiefen O's
Steam-boxing bumping me and I aint even know
See thats not even the mix-tape is the radio
Lose cholesterol niggas eat cherios
Because the heart of my base is in yo stereo
Konichiwa in Japan, England on Cherio
G'day in Australia, no mary go
Cause even mary know
I gotta virgin flow, see that is so damn pure so
Aquafina know
That im filtering the lame so the game could go
I gotta nameless show, a nameless flow, getting asian
dough
L.I on me man , you already know

[Chorus][Hook]

They Say Its All On Me
Nobody Else Could Account For
My Actions If I Acted On Downfall
And Is Just Whats It Goin Be
And This Goes Out To My Hood
And You Could Tell Them Im Good
Im Not Goin Drop And Im Never Goin Stop
If You Cant Push To The Limit Or Rise To The Top
And Is All On Me
