My music hot
Yo music not
My ish wont stop
When the beat drop
We cop and shop
They stop and watch
On how we getting to the top
They want my life and they hate my songs
I power off the game still on
Newes pawn over spawn sober no I'm over gone
Yea yea yea man they are stuck on Superman
I'm am on Bizzaro shit with Kryptonis in my hand
Man for man burning shit alive like it's Amsterdan
Over tanned Cancun mami bumping my jam
From MP3 to yo CD
To MTV to BET
My A.K.A was A.D.D
But now I know my 1, 2, 3's
My A, B, C's and Co3
Try and see
Pray for me
True Religion flying free
Shopping spree, viper see
Got these chick's in line like the motherfucking DMV
Eye'n me saying on how they wanna be with me
Check It, See V.I.P goin' wreck It
Let the hook drop so the party get reckless like

Yea Man

Out Of Yo Stereo
Yea Man
It's On Yo Radio
Yea Man
And If You Didn't Know
I Said The Party Go

I'm super fly, And you know why, The Swag is super

I'm more than hot, I go go rock
With Asian pops, Who break the rules
And like to shop, So F the cops
So goin' Diddy bop
Cause my city hot
And when the album drop
