I Keep Flying
I Keep Flying
I Keep Flying
I Keep Flying
I Keep Grindin I Keep Ridding
You Keep Tryna Crown Me But My Feet
Wont Touch The Ground ' Wont Touch The Ground
I Keep Shining ' My Feet Hiding
You Cant Find Me Cause Im Way To High In The Sky
Im In The Sky
I found the key to the pearly gates in my back pocket
I sold it for a laffy taffy and a fat wallet
Yes im the home run king with that full run
You underneath my desk uh huh that old gum
Yea im that shogun and I have no fun
Strictly business from a zero to the number one
See I am under none , but when the money come in
I keep it to me like nuns , friday to the mon
But then i blow it all yea yea im balling
The true baller call me mr.spalding
Or dr. wilson see that im ill son
And what you wanna do man I already done
Es so fineto
Important people
Im am flying to the sky cop the sequel
And I keep flying man I could almost taste clouds
I pissed a lotta people off and made a lotta proud

I Keep Grindin I Keep Riddin
You Keep Tryna Crown Me But My Feet
Wont Touch The Ground ' Wont Touch The Ground
I Keep Flying I Keep Flying
I Keep Shining ' My Feet Hidin
You Cant Find Me Cause Im Way To High In The Sy
Im In The Sky , I Keep Flying
I ate glue and been insane since
The juvenile delinquent that lived off of pink slips
Im from the streets where the preachers don't know
how to preach
Cops don't show and ya best friend a snake or leech
To always looked beneath the tiki potta chief
And people dumb cause the teachers don't know how

to teach
They were prone to put down and always look beneath
But i was trained to look up the beauty of the beast
But now im ripping beats the tiger off leash
See mickey going kill it the illest of the sneaks
The flyest on the feet
Comprende capiche
The illest in the streets
Fin-e-to illest
But i'ma change the game
You know the fucking name
D.R you know the rest shit never changed
See I remain the same
Forever not a lame
Best believe im that problem stress and pain
I Keep Grindin I Keep Riddin
You Keep Tryna Crown Me But My Feet
Wont Touch The Ground ' Wont Touch The Ground
I Keep Flying I Keep Flying
I Keep Shining ' My Feet Hidin
You Cant Find Me Cause Im Way To High In The Sy
Im In The Sky , I Keep Flying
I Keep Grindin I Keep Riddin
You Keep Tryna Crown Me But My Feet
Wont Touch The Ground ' Wont Touch The Ground
I Keep Flying I Keep Flying
I Keep Shining ' My Feet Hidin
You Cant Find Me Cause Im Way To High In The Sy
Im In The Sky , I Keep Flying
