Damn, like i figured i would write this to you now or
whatever
since you knew me the best,
and we had to go our separate ways you know
but

Dear Shorty It'll Neva Be The Same
The Times That we Shared Forever In a Frame
They Yelling My Name , Cause Now Im In The Game
The Tour Bus Is Packed Im Addicted To The Fame
But The Laughs, The Cries , The Fights , The Hugs
The Love We Loved , The Smell Of Dove
And I Don't Know If You really Knew
But I Miss You..

Good Times, good times never be apart
I said I always hope and prayed that you make it far
Farther than the others, even though my lover
Best friend, even closer than my best men
As a team man, we had em shook man
And now you leaving me cold im like god damn
I said the wild trips, You said I make you sick,
And now we sit back and laugh at the bull shit
But pinky promise this,
Id never forget
And ill never regret , Meeting you as abet
Claiming you as a bitch, Was never in heart
Even tho we apart , You forever in heart
You forever my star , permanent in my life
A beautiful scar, Yea shit was bizarre
The winter walks right, The phone talks night
I hope you aight but
You should know that ah

Dear Shorty It'll Neva Be The Same
The Times That we Shared Forever In a Frame
They Yelling My Name , Cause Now Im In The Game
The Tour Bus Is Packed Im Addicted To The Fame
But The Laughs, The Cries , The Fights , The Hugs
The Love We Loved , The Smell Of Dove
And I Don't Know If You really Knew
But I Miss You..

See the bear that you got
It's still on my bed
See the stuff that you said
It's still in my head
I swear to big
We was on it like butter and bread
They giving me meds
Claimed I was an ed
But you didn't care
Forever Was Their
Remember the time when you go in went and cut ya
hair
Remember the time when you got me T from build-a-
bear
See we the mother-fucking greatest and you took it
their
And its fair cause the things that I did, When I acted
like a kid
Blowing bubbles in my water, Or invite my homie Sid
Then you claimed you got rid, Then I said I got rid
Then we got back on top like jar lids, Sprung like a
garden,
On It, Stuck like a tar pitt
See I Miss, what was accomplished
But shorty you should always know that ah

Dear Shorty It'll Neva Be The Same
The Times That we Shared Forever In a Frame
They Yelling My Name , Cus Now Im In The Game
The Tour Bus Is Packed Im Addicted To The Fame
But The Laughs, The Cries , The Fights , The Hugs
The Love We Loved , The Smell Of Dove
And I Don't Know If You really Knew
But I Miss You..
And we red heart finest
No crown highness
Blest G's blindest
Tears dropped with the flyest
Of all, See we balled till we fucking fall
Situating other shit like not at all
Don't run we will crawl, Just gimme a call (phone ring)
Like paint on a wall, Im to you like a hall
P.S We the best ask Mos Def
I hope you fucking feel me like my own flesh
Dear Shorty It'll Neva Be The Same
The Times That we Shared Forever In a Frame
They Yelling My Name , Cause Now Im In The Game
The Tour Bus Is Packed Im Addicted To The Fame
But The Laughs, The Cries , The Fights , The Hugs
The Love We Loved , The Smell Of Dove

And I Don't Know If You really Knew
But I Miss You..
