Never Will I Fall With This Rockstar Mentality
Always will I ball With This RockStar Mentality
(And Im Like)
Tighter Than Some Allen Keys
Sicker Than Some Allergies
Im Just Doing Me With This Rockstar Mentality
Graduated from rockstar
Im boulder-sun, under none
Quick to rip a rapper like its X-mas Eve
Next to me is ecstasy, And most of you may disagree
But I guarantee that you niggas don't mean shit to me
They say Mickey, see Mickey not goin be shit,
But now im diareah flying high and they got permits
(And Im Like) x3
Prince Charmig was a pushover
Good guys finish last, Getting passed
By the bad boy with the cash and getting ass
Now im putting them on blast, Cause im living by the G
code
Going so hard you could probably hear the beat moan

Never Will I Fall With This Rockstar Mentality
Always will I ball With This RockStar Mentality
(And Im Like)
Tighter than some allen keys

With my RockBand, those are o's not zero's
Ahhh, when I was young I was scared of heights
Now I fly sky high, With no fear in flight
You have no choice to make a left cause im extra right
I took an extra flight, laying drums at night
L.A in the day Tokyo at night
See im quick to pipe, No im not Mario

And you getting overshadowed like you wario
The finest from the coop, The true bandicoot
Spitten fire as if pryto branded in my roots
Kunta Kinte heart, A mile in my boots
Never Will I Fall With This Rockstar Mentality
Always will I ball With This RockStar Mentality

Because the haters stuck and always have to wonder

Good fucking bye , Because I touch the sky
My guys we supply, July to July, See we Hawaiian dry
Dinero never die, Rockstar mental just fucking try
Cause when the bites come around
