When you're weary, feeling small
When tears are in your eyes
I will dry them all

I'm on your side when times get rough
And friends just can't be found

Like a bridge over troubled waters
I will lay me down
Like a bridge over troubled waters
I will lay me down

When you're down and out
When you're on the street
When evening falls so hard
I will comfort you

I'll take your part when darkness comes
And pain is all around

Like a bridge over troubled waters
I will lay me down
Like a bridge over troubled waters
I will lay me down

Sail on, silver girl, sail on by
Your time has come to shine
All your dreams are on their way

See how they shine if you need a friend
I'm sailing right behind

Like a bridge over troubled waters
I will lay me down
Like a bridge over troubled waters
I will lay me down
